Coach Huemmer says:

"Finally Got One"

"It was a great relief," said Mishawaka Head Coach John Huemmer. "It was a long time coming for our high school."

"These kids, I can't stop bragging about my whole group of kids. It's been a pleasure to work with them, they're well deserving despite what our record is and since I've been here at Mishawaka for 12 years."

MHS Band

Mishawaka High School's Marching Band begins practicing in early August before school starts. They spend long days on the track and in the student parking lot perfecting their form, sound, and energy. The band is present at all football and basketball home games, and select students even travel to away games to support the Cavemen!

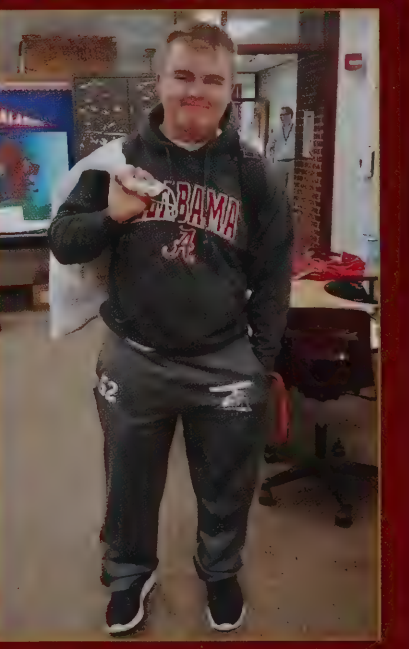
WHAT'S THE BIG IDEA?

Literature preserves the ideals of a people; and ideals–love, faith, duty, friendship, freedom, reverence–are the part of human life most worthy of preservation.

Writing and grammar offer us the ability to create literature.



Never bet against an intelligent English teacher. Right, Jake?

NHS,lead by MHS teacher Gregg Smith, worked throughout the year to make our community a better place. Perhaps its biggest commitment is the annual food drive. Countless volunteer hours were necessary to put this event together. You can see a pictorial of this event on page 101. NHS also managed the school blood drive, and escorted the seniors for graduation.

The ceremony begins with the lighting of the candles that symbolize the 4 pillars of NHS.

Quiz Bowl

Quiz Bowl is a team quiz competition covering general knowledge of all disciplines. Questions are read aloud and the first person to buzz in has the chance to guess the answer. Any wrong answers give the opposing team a chance to answer. The match consists of 4 rounds: the first round is a toss-up round, the second round is a bonus round where toss-up questions can lead to a bonus category, the third round is a 60 second round where you have 60 seconds to answer 10 questions from a given category, the last round is a stump the experts round where toss-up questions get more difficult. Teams can play up to four people in each round and there is a Junior Varsity and Varsity division. This year's team competed in the State Competition and placed 4th overall. Way to go team!

Science Olympiad is a hands-on science competition involving more than 20 events and covering all the science disciplines. Most events involve teams of students rather than individual competitions. The competitions begin in February.
As reported by Nina Hernandez in the Alltold: Science Olympiad competed at Semi-State and took a first place win, qualifying the team for State the second year in a row. The team had an incredible showing at Semi-State to earn them this win including Charlie McGarry and Cody Lambert placing 1st in Game On, Wright Stuff and Air Trajectory, Sean McGarry and Nina Hernandez placing 1st in Anatomy and Physiology, Grace Carpenter and Christie King placing 1st in Fossils, Natalia Bator and Kati Vandygriff placing 1st in Disease Detectives, Cassidy Parks and Kati Vandygriff placing 1st in Robot Arm, and Ceci Taylor and Alissa Rose placing 1st in Electric Vehicle.

Miskodeed

History
The yearbook is the recorded history of a school year: memories captured forever on paper. The staff spent countless hours organizing and prioritizing the most important events of the year.

Miskodeed

In the town of Mishawaka, on the old St. Joseph river.
Lived a maiden, — such a maiden!
With the black eyes of an angel, her eyes and straight hair came
And her form, 'twas most divine.
Do you ask us what her name was?
Miskodeed, of northern clime.
Miskodeed for sixteen summers
Lived here then, but now a change,
For sweet Miskodeed has vanished
And has left us but her name.
Miskodeed, the first spring blossom.
Miskodeed, (so means the name)
Thou hast given us inspiration
For in early Spring you came.

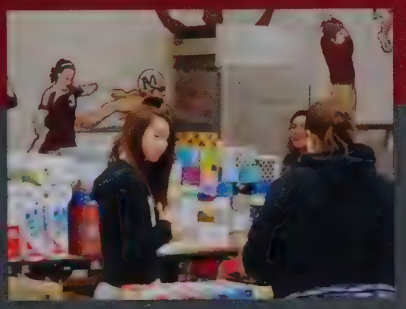
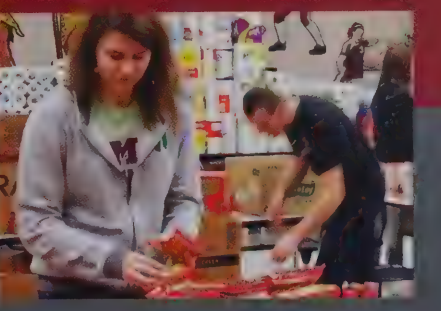
ANNUAL FOOD DRIVE

This MHS tradition is spearheaded by NHS. However, it takes the help of many students and groups to make this event successful.

Each November and December MHS students brave the elements to round up donations for the food drive. This included manning drop off points around town.





Students transform the cafeteria into a store front where community members in need can stock up on non-perishables.

You are God's gift to us.

Our blessing and joy. A beautiful, talented, caring, loving young lady with the world and opportunities at your fingertips.

Start by doing what is possible, and suddenly, with God's help, you are doing the impossible.

Stay steadfast in God's word and he will give you the desire of your heart. Ask God and it will be given, knock and the door will be opened.

We thank God for the time he has given us to teach, care for you and share all the moments of you growing up. We are excited for the next chapter of your life.

Way to go! Great job!
We are proud of you, Queen.

We love you with all our hearts.

Dad, Mom and all
your brothers & sister.

Congratulations!

Journey

Through your journey
Celebrate your victories
Don't be afraid to fail
It will help you succeed
Take chances
Life can be a gamble
Trust in others
But be careful who you trust
Don't follow the crowd
Be the leader you are
Love will come, love will go
You will have good times
And bad times too
Don't let them confine you
Rather define you
Listen to your heart
But make decisions with your mind
Be respectful
Don't judge others
You don't know their story
Be humble, be kind
Help others
Give your time
Donate when you can
Do what is right
So you can sleep at night
Don't hold grudges
They only hurt you
Forgive those who betrayed you
Forgiveness will help heal you

Don't waste your time
On negative energy
Remember misery loves
Know when it is time to let go
Embrace the moment
Don't be afraid to let it show
Smile often
Laugh daily
Enjoy the little things
Cry when you need to
Express your feelings
Carefully craft your words
Once spoken, they can't be unheard
Don't be shy
Hold your head up high
Be proud of yourself
And who you've grown to be
Always be true to you
And happiness will find you
Know on your worst day
You are still beautiful
Inside and out
When times are hard
And in your darkest moments
Dad and I are here
Even if we aren't near
Remember we share
The same sun and moon
And you can always find us there

Live your life free *eEnjoy the journey*No matter what it may be!

Congratulations on your graduation! It's hard to believe that our little girl has grown up and is now a woman. You are an overcomer, obstacles will not stop you whether push you to overcome and grow from them. From the moment you took your first breath, you were a fighter and you never stopped. Fight for what you believe in, what you love, who you love, but most importantly, fight for you! Dad and I are so proud of you and we thank God for giving us the opportunity to be your parents. No matter where you roam, know we will always be here for you. We love you Haley, MTYK!
